## **Why Sponsor the Kemptville District Soccer Club?**

The Kemptville District Soccer had 1300 players enjoying the game of soccer in the 2013 summer season, representing approximately 900 families in the North Grenville area. With over 200 coaches, assistant coaches and managers, as well as youth and adult referees, the number of KDSC members is over 1500. Players from two to almost 60 years of age participate in The Beautiful Game in North Grenville.

Your two year \$600 sponsorship will help keep fees affordable for North Grenville area families as well as helping the Kemptville District Soccer Club with the long term strategic plan for growth. The South Gower Park facility, which opened in the spring of 2009, is already completely filled with young players on summer evenings and, without the development of new fields and the installation of lights, KDSC will be turning children away in years to come.

In return for your sponsorship contribution KDSC will add your business logo to the Sponsorship area of our website [www.kemptonvillesoccer.com](http://www.kemptonvillesoccer.com) which has an average of 500 hits per month throughout the year. We are currently in negotiation with the Municipality of North Grenville regarding other ways we can support our sponsors' businesses. Being investigated are banners on the fences, business names on soccer shirts or soccer balls, and the possibility of a Community Partner sign structure at South Gower Park, where your business information could be posted to be seen by our 900 families as well as visiting teams.

Every second year KDSC will invoice your business for the following term's sponsorship and receipts will be emailed to you for tax purposes.

If you require further information please contact Club President, Darryl Lapenskie, at [president@kemptonvillesoccer.com](mailto:president@kemptonvillesoccer.com) or 613-229-1878.

We look forward to hearing from you.
